

1. Flavours & Aromas

- natural flavours
- identical to natural flavours
- aroma chemicals

2. Proteins (non-dairy, non-soya)

- Proteins Hydrolysates
- Peptides
- Amino acids
- Broths, stocks, bases & bouillons
- Waxes

3. Hydrocolloids (thickening agents, gelling systems, stabilisers)

- Alginates,
- carrageenas
- seaweed hydrocolloides
- Gelatine Products
- Vegetable & microbial gums, resins
- Modified starch
- Modified celluloses
- Pectins
- Hydrocolloids mixtures

4. Additives

- Antioxidants
- Agents (clouding, glazing, anticaking, clarifying, firming, anti-foaming)
- Preservatives
- Sweeteners, sugar substitutes, sweeteners mixtures
- Acidity regulators
- Flavour enhancers
- Phosphorates
- Colour-correcting materials
- Emulsifiers, emulsifying salt

5. Yeast products

6. Semi-finished products

7. Fats & oils

- fats & oils: fatty acids
- fats & oils: animal fats
- fats & oils: vegetable
- fats & oils: tropical

8. Fat replacers

9. Cereals

- cereals: cooked/extruded
- flours, milled cereals
- brans & germs
- malt products

10. Health & Organic Ingredients

- Vitamins
- Minerals
- Dietary fibers
- polyunsaturated fatty acids & their sources
- prebiotics
- probiotics

11. Confectionery products

12. Colours

- colours: mineral
- colours: natural
- colours: synthetic

13. Starch

14. Cultures & Fermentation Starters

15. Pasta Products

16. Milk Products

- caseinates & derivatives
- lactose
- butter (milk fats) products
- milk powders & dairy blends
- milk products
- whey products & derivatives

17. Vegetable Products

- vegetable products: dehydrated / dried
- canned / frozen
- vegetable powder

18. Organic Ingredients

- organic basic & compounds
- organic semi finished products

19. Meat & Poultry

- Meat & Poultry: dehydrated / dried
- Meat & Poultry: powders & extracts

20. Nut Products

- nut products: whole, milled, broken, roasted
- nut products: butters, pastes and purees

21. Fish & Seafood

- Fish & Seafood: dehydrated / dried
- Fish powders & extracts

22. Sugars & Syrups

23. Seed Products

24. Soya Products

- soya flour
- soya proteins
- soya lecithin

25. Release Agents

26. Sauces, Ketchup, Dressings

27. Spirits, Liqueurs & Wines

28. Cheese Products

- fresh & processed
- cheese powders

29. Herbs, Spices & Seasonings

30. Vinegar

31. Services

32. Enzymes

33. Fruit Products

- Fruit Products: dehydrated / dried

34. Bakery Products

- batters, breadings & coatings
- bakery fillings
- bakery improvers

35. Chocolate & Cocoa Products

- chocolate products

36. Extracts (non-fish, non-meat)

37. Essential oils, flavouring essences

38. Egg Products

39. Hardware

- analytical / laboratory equipment
- processing equipment
- packaging equipment

40. Services

- publications, books
- business, market and scientific information services
- analytical services
- contract research
- quality assurance services (SIO / GMP)
- product development services
- formulation services/recipe management
